

Easter at Ackworth 2006

Saturday 15th April to
Tuesday 18th April

The refurbishment of the top floor of Boys' School House has resulted in a loss of many of the large rooms that have been used in previous years as the family accommodation. Therefore if you are booking in a group of four or more people please indicate in the space below, those that you want to be together.

If you are booking as an individual but you do not specifically indicate that you wish to have a single room, you will be allocated a room sharing with others.

If you do have contemporaries or friends with whom you would ideally wish to share or any other special requests please fill in the further requests' section below or attach a sheet to your form.

The school has a small area with limited facilities which can be used for caravans or tents. If you wish to either camp or bring a caravan then please contact John Golding directly in order to discuss availability and costs.

The more meals we serve the better, so please encourage visitors to join us for meals.

CHECK LIST

1. Have you included full details for each person in your booking?
2. Given details of accommodation requested?

FURTHER REQUESTS
